Additional Info

The Super Skin allows you to align your brand with Foxtel Media in a way that has previously only been available for desktop advertisers. The unit includes a large branding header, full page skin and option for content to be housed in a reveal component. The ad influences users whilst at the same time ensuring their browsing experience remains unchanged.

- The Super Skin is applied on page load and includes a custom 'initial message' and full background skin. Access to a reveal container is available via the arrow.
- Clicking the arrow reveals the content section of the ad. For consistency, you may wish to include the same initial messaging, however it's not a requirement.
- Creative for the standard banner (320x50) should be used as well. Note this will be in view on initial page load.
- If you opt to replace a creative or add new creative for rotation on LIVE tags, please alert Foxtel Media ad operations to QC before deploying
- Deliverables (when supplying images and Playground completing the build):
 - Mockups: flat mocks.
 - Builds: final artwork, layered PSDs or vector graphics, animation instructions.
 - Optional: third-party click and impression trackers. Please refer to accepted third-party vendors.
- Supported Reporting:
 - Super Skin impression tracking (3rd party impression tracking supported)
 - Standard banner impression tracking (3rd party impression tracking supported)
 - Standard banner click tracking (3rd party click tracking supported)
 - All interaction events within the reveal panel – swipes, clicks, video plays, etc.
 - Viewability
 - On screen time (seconds)

Note: Foxtel Media reserves the right to request changes to content and/or implementation following testing if the above is not adhered to. Specifically Foxtel Media reserves the right to remove or reject any material which:

- Is misleading, false or illegal and does not comply with state and national regulations;
- Contains but is not limited to sensationalised violence, crime or vulgar activity;
- Promotes stereotypes based on gender, race, sexuality or religion;
- Is provocative in nature and upsetting to the site audience or channel partner;
- Negatively impacts the intellectual property and equity of the wider Foxtel Media network;

Advertisers have a responsibility to observe our network policies and provide transparency towards our ad specifications and timelines.

If you are a gambling client, please ensure your digital creative are compliant with the online rules & legislation specified by the Australian Communications and Media Authority (ACMA). You will also need to ensure that you follow any state laws surrounding the promotion of gambling promotional content.
