Additional Info

This ad unit can only be Foxtel Media site served.

- Must be served third-party.
- If campaign is for a product with a classification rating (eg. film, video or tv), ensure the creative clearly features the rating. If above 'G' rating, the consumer advice must also be visible.
- No looping

- CPU must have a max 20% load. Any ads submitted which cause excessive CPU load or hinder user experience will not be accepted.

Note: Foxtel Media reserves the right to request changes to content and/or implementation following testing if the above is not adhered to. Specifically Foxtel Media reserves the right to remove or reject any material which:

- Is misleading, false or illegal and does not comply with state and national regulations;
- Contains but is not limited to sensationalised violence, crime or vulgar activity;
- Promotes stereotypes based on gender, race, sexuality or religion;
- Is provocative in nature and upsetting to the site audience or channel partner;
- Negatively impacts the intellectual property and equity of the wider Foxtel Media network;

Advertisers have a responsibility to observe our network policies and provide transparency towards our ad specifications and timelines.

If you are a gambling client, please ensure your digital creative are compliant with the online rules & legislation specified by the Australian Communications and Media Authority (ACMA). You will also need to ensure that you follow any state laws surrounding the promotion of gambling promotional content.
