Additional Info

This ad unit can be either Foxtel Media site served or 3rd party served.

- VAST tags must contain ONLY the MP4 format to the specified dimensions (no flv. or mov. files behind the tag)
- If you opt to replace a creative or add new creative for rotation on LIVE tags, please alert Foxtel Media ad operations to QC before deploying
- Platform is non-clickable due to nature of DAI on live broadcast feed

Note: Foxtel Media reserves the right to request changes to content and/or implementation following testing if the above is not adhered to. Specifically Foxtel Media reserves the right to remove or reject any material which:

- Is misleading, false or illegal and does not comply with state and national regulations;
- Contains but is not limited to sensationalised violence, crime or vulgar activity;
- Promotes stereotypes based on gender, race, sexuality or religion;
- Is provocative in nature and upsetting to the site audience or channel partner;
- Negatively impacts the intellectual property and equity of the wider Foxtel Media network;

Advertisers have a responsibility to observe our network policies and provide transparency towards our ad specifications and timelines.

If you are a gambling client, please ensure your digital creative are compliant with the online rules & legislation specified by the Australian Communications and Media Authority (ACMA). You will also need to ensure that you follow any state laws surrounding the promotion of gambling promotional content.
